

ADMISSIONS CRITERIA AND PROCESS

ADMISSIONS CRITERIA

Chaminade College Preparatory collaborates with the families it serves to provide a challenging Catholic education in the Marianist tradition for young men and women. In concert with our mission statement and our Marianist tradition, we seek applicants who have the capacity to live out the mission, values, and vision of Chaminade and who will thrive in an academically challenging environment.

Students are selected from qualified applicants on the basis of the following criteria:

- Transcripts and standardized test results
- Scores on the Chaminade College Preparatory entrance exam
- Teacher and principal recommendations
- Personal interview by a member of the Chaminade College Preparatory faculty/administration
- Review of the applicant's file by the Admissions Board

The Admissions Board reviews individual student strengths and strives to maintain a balanced student body. Final admissions decisions are based on available student space, an assessment of the student's ability to complete the school's academic program, and the student's capacity to live out the mission, values, and vision of Chaminade.
