

Preparation for Catholic High School Entrance Exams

Eighth graders planning to attend a Catholic high school in Los Angeles and Ventura counties are required to take a comprehensive entrance exam as part of the admissions process. Students in this course will review the math, reading, writing, vocabulary and grammar skills on the exams and learn test-taking strategies to help them work faster and more confidently to maximize their score. All materials are included and additional practice materials will be provided to take home for further preparation. Classes are completed before the January application deadlines and are taught by experienced teachers. The classes are taught over two Saturdays at our West Hills campus.

Features include:

- Simulated exams
- Experienced, professional teachers
- Small class size
- Test-taking strategies
- All materials
- Review of all areas covered on the exam

Students may register for one date, or attend both the English and Mathematics sessions for comprehensive preparation.
